

## Zusammenfassung Kapitel 1 von „Mary's Song“:

Hi Emma!

Today I will try to stand! Wait and hear! Sh... I  
wobble and rip my favorite carved horse from  
my dresser. It breaks into pieces. What shall I do?  
It's from my mom! If my dad sees that he will be  
very angry! I feel so bad! My dad is worried  
about me. I wish so much that I can ~~run~~ <sup>walk</sup> some-  
day, and I hope it will be true. My favorite place  
is <sup>at</sup> the fence, but you know that, of course, and  
always when I'm there the foals come to me.  
My dad goes to New Orleans because <sup>of</sup> his  
business and then he will go to Destin, in  
Florida, because he thinks <sup>a</sup> doctor there  
can help me. But I think it makes no  
sense. But another topic...

I have ~~a~~ <sup>a</sup> forged close link with <sup>the</sup> filly I  
always draw, do you know <sup>which</sup> ~~one~~ one I  
mean? I can draw this filly with only a  
snapshot with my mind. During my dream of  
contering across the meadow I sketch my favorite  
filly. I will <sup>continue</sup> ~~continue~~ until my Papa comes  
back home with the surprise (Yes he will  
give me a surprise, I'm so excited what it is)  
<sup>y</sup> ~~y~~ Moby a horse?

Bye Bye, talk to you later!"

sehr schön!
